**Interior Restoration Kit**

Porsche 964 1989 - 1993

## The parts included in our kit

*Note: Picture shows '89 Coupe interior. Slight variations apply throughout the '89-'93 period. All our interior kits are manufactured specifically for your year and chassis number.*

Our Standard Interior Restoration Kit for the Porsche 964 Coupe includes everything you typically need to bring your interior back to factory new condition:

- Complete Carpet Set, OEM sliverknit, (19 pieces, Diagram ref 1)
- Door Panels, Ready-To-Install, pair (Diagram ref. 2)
- Door Capping Retrim Kit, front and rear (Diagram ref. 3)
- Front Seat Restoration Kit, pair (standard/sports, leather/leatherette, Diagram ref. 4)
- Rear Seat Restoration Kit, pair (leather/leatherette, Diagram ref. 5)
- Trunk Carpet set in OEM Sliverknit (Not indicated)
- Rear Bulkhead Retrim Kit (Diagram ref. 6)
- Rear quarter Panel Retrim Kit, pair (Diagram ref. 7)
- Leather gearstick Gaiter/ shift boot (Diagram ref. 8)
- B-pillar Retrim Kit, pair (Diagram ref. 9)
- Headlining Kit / Targa Top Restoration Kit (Not indicated)
- Additional Leather, 1m<sup>2</sup>
- Complete step-by-step installation instructions and pictures

Following parts are not included in the standard kit, but can be ordered additionally (for full leather kits):

- Leather Dashboard Retrim kit with 'signature' topstitching
- Leather Console Retrim kit (incl. handbrake) with 'signature' topstitching
- Leather Armrest and Door Pocket Cover Retrim kit with 'signature' topstitching

- Leather Knee Protector retrim (3pcs, incl. astray)

The **Front Seat Restoration Kit** includes everything you typically need to bring your front seats back to factory new condition; all front seat covers and correction foam for seat base bolsters.

Correction foam allows you to correct the worn sides typically found on the driver's side seat bolster. Bear in mind, that a significantly deformed or decomposed seat base can only be restored with new cell foam. New seat base cell foams are not included as part of this kit.

Throughout the period Sport seats were available as an option. Sport seats have higher bolsters. The best way to distinguish is to measure the side of the back rest. At the widest point, the Regular seat measures 12.5cm (5") whereas the Sport seat measures 17.5 cm (7").

## The materials and colours we offer

Our hand crafted interior restoration kits, closely match Stuttgart factory specifications. For the carpet set we use OEM Porsche sliverknit velours, heelpads, dimple backing material and reinforcements as original.

For the seat covers and panels, we use OEM Porsche Nappa leather, colour coded vinyl leatherette, water resistant backing boards, natural rubber, natural jute, top quality calico backing materials, exact specification pleat and bolster filling. All hides are precision cut, piping bound and pre-formed to guarantee a factory authentic fit.

We manufacture this kit in Porsche leatherette or Porsche full nappa leather in several original Porsche colours. We have included some pictures below. Please note that due to screen resolutions they may appear somewhat different in practice:

Please note that some colours may only be available in full nappa leather. For availability on other original colours, please enquire.

The table below provides an overview of the colours and codes Porsche offered for the 964 in leather and leatherette during '89-'93.

All colours offered by Porsche in leatherette were also offered in half-leather and full leather. Half leather interiors have front and rear seat facings in leather. Seat sides, seat backs and all other interior components were trimmed in leatherette. We do not offer interior kits in half leather.

Please bear in mind that leather is a natural material. Slight irregularities are not imperfections. They are an inherent feature of a product from nature and an integral part of its appeal.

## Seat inlays

For the 964 models Porsche offered front seats with perforated centre sections as standard. Throughout the '89-'93 period Porsche also offered various special fabrics for the front and rear seats centres as optional. This included the "Pinstripe" fabric ('89-'90), the "Studio check" fabric ('89-'93) and the "Porsche" scripted Jacquard fabrics ('89-'93). The special fabric was typically in tone with the rest of the interior. An overview of optional fabrics and codes is provided below. We have several Porsche trim fabrics available. Please enquire.

## Two-tone interiors

Throughout the '89-'93 period Porsche offered 2-tone interiors as option. In 2-tone interiors the beltline typically has the darker colour. The beltline includes dashboard, knee protectors, door uppers, rear quarter uppers and the upper part of the parcel shelf. In most 2-tone interior the beltline is black. However there are also 2-tone interiors with dark grey and dark blue beltlines and interiors with 2-tones beyond the beltline. An overview of 2-tone interior combinations and codes is provided below. We offer 2 tone interiors in full leather with black beltline. For other 2-tone combinations, please enquire.

## Photo Gallery

We have included some pictures of Porsche 911 interiors that were recently manufactured/restored. This allows you to evaluate the quality of craftsmanship and fit you may expect from our interiors.

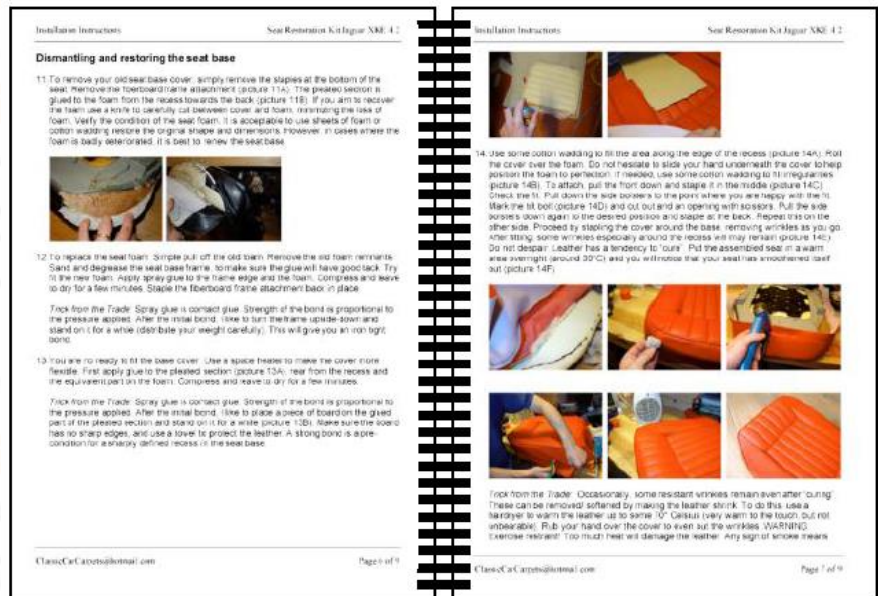

## The installation of your kit

The interior restoration kit comes with easy to follow step-by-step installation instructions and pictures.

Installation requires no specific tools and is within the ability of the moderately experienced home mechanic.

Count on 4-6 days of work to remove your old interior and reinstall your new one. This is a job best done with 2 people.

For enthusiasts taking more pleasure in driving their Porsche than working on it, we also offer a fitting service. International pick up and delivery of your pride and joy can be arranged (Benelux, France and Germany only).

## Our quality pledge

We are continuously striving to improve our offering. If you are not 100% satisfied with our product, we offer a no nonsense replacement or money back guarantee.

## Ordering information

To make sure we manufacture exactly what you need, please provide us with the following information when ordering:

- Make, model and year
- VIN number
- Desired interior color and choice of materials/finish
- RHD/LHD, Manual/Sportomatic
- Sport/regular seats

Depending on our order book, please allow 3-6 weeks for manufacture and delivery.
